Members of Congress Urged to Disavow Virulent Rhetoric from Extremist Groups As Reform Effort Nears Homestretch

Chicago - Today, the Center for New Community, a faith-based human rights group that tracks anti-immigrant activity, released "Indecent Proposals: Top 10 Most Offensive Quotes from Anti-Immigrant Leaders." The list captures some of the most offensive rhetoric being propagated and endorsed by anti-immigrant groups and their supporters on talk radio.

"This nation desperately needs informed, reasoned debate on this issue," said Rev. David Ostendorf, executive director of the Center for New Community. "The anti-immigrant groups and their supporters are clearly not interested in helping our nation move forward - all anyone has to do is turn on the radio to hear that these groups' values do not represent the values shared by the vast majority of Americans."

"As Congress reintroduces this legislation, we urge all members, regardless of where they stand on the particulars of the bill, to clearly and forcefully denounce and distance themselves from these groups and their baneful rhetoric which has no place in our public square," he finished.

Below is a list of the "Top 10 Most Offensive Quotes from Anti-Immigrant Leaders" and their supporters. The list is also available at <http://www.buildingdemocracy.com/>
